Slats

FSC 100% Tropical

The finishes shown are purely indicative. With **Standard** protection: corrosion resistant for environments with climate conditions which are typical of urban spaces. For coastal areas with severe climate conditions, check out our Premium protection finish. Other colours are available upon request.

Materials

- Structure made from 6 mm S235 JR hot-dip galvanized steel plate with a powder-coated finish.
- Seat and back made from slats of tropical wood, certified FSC 100%, 50/65 x 160 mm, with a single coat of oil protection.
- AISI304 stainless steel optional armrest.
- Zinc-plated steel bolts.
- A2 stainless steel hardware.

Installation and maintenance

- Installed with two bolts per element, inserted in holes made in the pavement beforehand, and filled in with epoxy resin, quick-setting cement or similar.
- The element is supplied packaged.
- Installation and assembly instructions, hardware and bolts included.
- Does not require any maintenance, except to preserve the original colour of the wood.

Regulations

- FSC-STD-40-004 (licence no.: COO9370)
- ISO 12944
- UNE 41510
- UNE-EN 335
- UNE-EN 581
- UNE-EN 12727
- UNE-EN ISO 1461

Weight kg [lb]

Bench

- One section without backrest: 80 [176]
