

Materials and finishes

Accessory for installing one floodlight to a wall. The system allows the orientation of the floodlight.
Primed and powder coated stainless steel bracket (included in AR1P**). Primed and powder coated injected aluminium support.
Stainless steel screws.

Installation

Fix the accessory to the wall and subsequently the floodlight to the accessory. Adaptable to an integrated or external power installation.
The accessory is delivered disassembled. Instructions and screws included.
See AR1P**.

*Floodlight not included.
